Governor Dayton's bonding proposal is focused on making the kind of long term investments proven to create jobs. **The bill would put up to 27,000 Minnesotans back to work by investing in improvements in infrastructure, our colleges and universities, and many other regional economic development projects.**

The proposal also includes additional projects of statewide and regional importance, including investments in water, natural resources, and other important services for Minnesotans. See the attached document for a breakdown of regional highlights in the Governor's Bonding Proposal.

Governor Dayton's Bonding Proposal - Regional Highlights

#	REGION	PROJECT	AMOUNT (IN MILLIONS)	DESCRIPTION
1	NE	Airline Terminal Expansion, International Falls	\$2,000	The Governor recommends \$2 million for a grant to the International Falls–Koochiching County Airport Commission to be used as the local match to federal funds to construct a new airline terminal facility located in International Falls. The total project cost is \$11.3 million.
2	NE	Chisholm-Hibbing Airport, Hibbing	\$5,000	The Governor recommends \$5 million for a grant to the Chisholm-Hibbing Airport Authority to demolish the existing terminal and to construct a new passenger terminal and boarding bridge, and associated equipment at the Range Regional Airport. A local match is required.
3	NE	NorShor Theatre Historic Renovation, Duluth	\$6,950	The Governor recommends \$6.95 million for a grant to the Duluth Economic Development Authority for renovations to the NorShor Arts Center. The state bond proceeds would be used specifically to facilitate skywalk and handicapped accessibility and provide public access to the newly renovated NorShor Arts Center. The total project cost is \$22.35 million.
4	NW	Northland Community & Technical College Aviation Maintenance Facility, Thief River Falls	\$3,909	The Governor recommends \$3.909 million to address the future needs of the Unmanned Aerial Systems and Imagery Analyst programs. This project includes demolition and replacement of technical space to meet program objectives and industry requirements.
5	NW	Road Repair, Second Street South, Fosston	\$400	The Governor recommends \$400,000 for a grant to the City of Fosston to reconstruct Second Street South, bringing the road to a 10-ton capacity to accommodate both residential and farm-to-market traffic. The total project cost is \$1.3 million.
6	CE	MN State Community and Technical College, Moorhead: Transportation Center, Moorhead	\$4,363	The Governor recommends \$4.363 million to expand the Transportation Center on the Moorhead campus. New labs for the diesel technology program will accommodate larger and more modern diesel agriculture, construction and transportation equipment, and will relieve unsafe congestion in the existing laboratories.
7	CE	Central Lakes College, Staples	\$3,054	The Governor recommends \$3.054 million to renovate the Staples campus. Core student service functions will be right-sized and reconfigured into a one-stop service center. Additionally, the facility energy systems will be upgraded to include photovoltaic solar panels and energy efficient windows and doors.
8	CE	River's Edge Convention Center, St. Cloud	\$11,560	The Governor recommends \$11.56 for a grant to the City of St. Cloud to complete an expansion of the St. Cloud River's Edge Convention Center. The total project cost is approximately \$39 million with \$26 million already spent.
9	SW	South Hawk Creek Business Park, Clara City	\$748	The Governor recommends \$748,000 for a grant to Clara City for local road construction and water and sewer improvements to a new business park. The total project cost is \$1.5 million.
10	SW	Southwest Regional Sports Center, Marshall	\$4,298	The Governor recommends \$4.298 million in state bonding to construct a southwest regional sports center in Marshall, Minnesota. The sports center would feature two ice sheets that could be converted to volleyball/ basketball courts as well as ten outdoor athletic fields that could be used for soccer, lacrosse, rugby, football, and other field sports.
11	SW	Lewis & Clark Regional Water System, Luverne	\$20,203	The Governor recommends \$20.203 million for a grant to the Lewis and Clark Joint Powers Board for Phase 1 of the Lewis & Clark Regional Water System project. Phase 1 will deliver water to the City of Luverne in December 2015. The total project cost is \$70.564 million, and it is a three-phase project.
12	SW	Minnesota State Arena, Mankato	\$14,500	The Governor recommends \$14.5 million for a grant to the City of Mankato for renovating and expanding the Minnesota State Arena and Events Center. The project's total cost is \$32 million.

#	REGION	PROJECT	AMOUNT (IN MILLIONS)	DESCRIPTION
13	SE	Mayo Civic Center, Rochester	\$37,000	The Governor recommends \$37 million for a grant to the City of Rochester for the expansion and remodeling of the Mayo Civic Center in Rochester. The total project cost is \$81.1 million.
14	SE	Winona State University: Education Village, Winona	\$3,935	The Governor recommends \$3.935 million to begin work on Phase I of the Education Village renovation project. The predesign plan includes the reuse of three buildings that will be renovated into space that integrates specialty labs and classrooms for all education programs.
15	SE	Minnesota State College: SE Technical, Red Wing / Winona	\$1,133	The Governor recommends \$1.133 million to renovate carpentry classroom space on the Red Wing campus and medical lab space and welding lab space on the Winona campus. The projects will modernize space, convert storage space into classroom space, provide multi-use space that will serve all academic programs of the college, and assist the campuses with better meeting industry standards.
16	MA	Minnesota Children's Museum, Saint Paul	\$14,000	The Governor recommends \$14 million for a grant to the City of St. Paul to expand and renovate the Minnesota Children's Museum. The total project cost is \$28 million.
17	MA	TCAAP (Twin Cities Army Ammunition Plant), Arden Hills	\$29,000	The Governor recommends \$29 million for a grant to Ramsey County for improvements to bridges and roadways near the Twin Cities Army Ammunition Plant (TCAAP) site. A local match is required.
18	MA	Nicollet Mall, Minneapolis	\$20,000	The Governor recommends \$20 million for a grant to the City of Minneapolis for the revitalization of the Nicollet Mall. The project will rebuild Nicollet Mall from building face to building face and will include pedestrian, roadway, and transitway improvements. The total project cost is estimated to be approximately \$53 million.
19	MA	Minnesota State Capitol Restoration, Saint Paul	\$126,300	The Governor recommends \$126.3 million to complete the restoration of the State Capitol Building. The Capitol Restoration project includes repairs to the deteriorating building façade and modernization of the mechanical, electrical, plumbing, life-safety, security and telecommunication systems.

Other Investments

The proposal also includes additional investments in projects of statewide and regional importance, including:

- \$70.7 million for clean drinking water investments and wastewater treatment projects
- \$56.3 million for the remodeling of the outdated Minnesota Security Hospital
- \$54.6 million for natural resource projects including asset preservation, parks and trails, and land restoration
- \$50 million for housing infrastructure and rehabilitation
- \$18.1 million investment in transit improvements
- \$12 million for economic development projects and grant programs
- \$7.7 million for pollution control initiatives
- \$4.4 million investment in veterans initiatives

A complete list of projects is available on the Governor's website: www.mn.gov/governor/newsroom.
